*This package becomes active upon full payment. If the prepaid amount is exhausted before the contract period ends, the discounted rates will still apply. However, timely payment of any monthly balance is required to maintain the discount. Once the contract period concludes, the discounted rates will no longer apply. This package may not be used in conjunction with any other promotions or offers.
**Five(5) free implants will be provided once a newly registered customer begins a new contract after completing their free first case. The implant sizes must be specified at the time of the offer.
